

### IPPS HOLE FORMAT GUIDE

Here are the five hole formats that we offer for all of our A5 stationery range.

Lay a sample of your existing stationery on the page outlines and see which set of holes line up.

Note that your printer may not print the page at exactly 100% of the original size and that there may therefore be some small variation between this sheet and your actual forms.

### Formats:

**A** = IPPS

**B** = 'International' (Filofax, Time/System)

**C** = Microfile, Mulberry

**D** = TMI

**E** = See page 5

**B FORMAT**

19mm

19mm

70mm

19mm

19mm

Distance between the  
**centre** of the holes

**C FORMAT**

Distance between the **centre** of the holes

**D FORMAT**

Distance between the **centre** of the holes

## **E FORMAT**

The E Format, is the combination of B + C (giving 12 holes).
